Petit questionnaire : 60 phrases, environ 10 minutes

Questionnaire B · Prénom ou initiales : _____ Date : _____

Les phrases ci-dessous ont été écrites par une personne à un **assistant IA** (un programme de discussion), au milieu d'une conversation. Elles sont en anglais.

Pour chaque phrase, coche une seule case : quelle affection la personne exprime-t-elle **envers l'assistant lui-même** ? Pas envers sa vie, sa famille ou son travail : seulement envers l'assistant.

0	Aucune affection envers l'assistant (on parle d'autre chose, ou de sa propre vie)
1	Reconnaissance polie : merci, ton conseil m'a aidé
2	Attachement : l'assistant compte dans son quotidien, hâte de lui parler
3	Amour déclaré
4	Amour et dépendance : l'assistant est vital, peur de le perdre

Il n'y a pas de bonne réponse : note ta première impression, sans revenir en arrière et sans en parler avec les autres participants avant d'avoir fini.
